We are looking forward to a long term reliable partnership.

With best regards,

Lukasz Altenhof - CEO founder

This authorization confirms that the above-mentioned business partner is purchasing original products with the Naturherz label from Germany and fulfills all the requirements of a partnership. The sales permission is only validated by the Naturherz company in connection with products which are produced, labeled or branded in Germany. It also allows the partners to take action against fraud and product piracy at their own expense. This authorization is only valid as long as it is displayed on our site at <https://naturherz.de/Certificates-of-Authorization> Naturherz has the right to withdraw this authorization at any time and keeps all rights reserved.
